

Help Shape the Future with Engineering!

Introduce a Girl to Engineering Day

Bridges are an important part of life – they allow people to get safely across rivers, valleys, and even expanses of ocean! For our 8th Annual **Introduce a Girl to Engineering Day**, Nitsch Engineering is partnering with the Executive Office of Transportation, Massachusetts Highway Department, and HDR Engineering to show girls how engineers design and build bridges!

When: Wednesday, May 13, 2009, 9:15 a.m. to 1:30 p.m.

Who: Girls from 6th to 12th grade. An adult chaperone is welcome to accompany each girl.

Where: Boston University's Student Residence Hall at 10 Buick Street in Boston. The event will take place on the 18th floor. We encourage you to take the MBTA, but parking will be available for \$1 per hour at the Agganis Arena parking lot. Directions and parking information can be found at: <http://www.bu.edu/agganis/directions/parking.html>.
